

# Series 108 Instructions

## Terminal / Busbar Terminal Connection Options

The Series 108 offers three terminal connection options that you can configure depending on your vehicle's requirements. Use these figures as guides to modify the battery setup.

If you have questions, please contact our Technical Support Group by sending an email to [info@indurapower.com](mailto:info@indurapower.com) or by calling the department at +1(520)499-3799. Tech Support is available from 7am - 5pm, Monday - Friday, MST (Arizona). If you receive our voice mail, please leave a message and your call will be returned promptly.
